1st, 2nd and 3rd place earnings. Every month, Pokefacers can attend the “World Tournament” and participate in this worldwide event by participating in a PVP challenge and a Tour. The event will begin on the first of every month with a World Tour (World Tournament) and end with the event called the “Luchadian Challenge.” The 1st event is called the “Grand World Tournament” and will take place in the Philippines. The Grand World Tournament is the only opportunity for players to be able to win a prize pool of 100,000 \$. The “Luchadian Challenge” event is planned to take place at the end of the month. Each month will have a new theme! In September, we will be in the Philippines for the “World Championship”. This event will be like a game of GO. For each of the rounds of the tournament, players will have 5 minutes to score as many points as they can. The first to get 100 points wins the battle and wins the tournament. This takes place in the Philippines. Only the best players of the world will be able to participate in the tournament. The top three players in the tournament will get a nice prize. The player who wins the tournament in September will get 20,000 \$! The World Championship will be the biggest event, and they will all take place in the Philippines, with up to

500,000 players participating! The tournament will last for 3 days, and will be split into three rounds. During these rounds, each of the top three players can take part in a match that could give them the title of “Pokemon World Champion”. This will be a tournament that will be fought between three players. Only one will win, and get a prize of 50,000\$. This event is also open to those who enjoy GO and Pokemon GO together, as the event will use the Ranking button. Those who open the event and have not yet participated will be able
